

WEBINAR SEASON PASS

2026-2027

WEBINARS TO INSPIRE CHANGE AND TRANSFORMATION

The Webinar Season Pass provides your entire **parent, faculty, and school community with unlimited free workshop registrations** through a school-specific access code. It also includes **marketing graphics, shareable copy, and a facilitation kit** to help prepare for the workshops.

OUR WEBINAR SEASON PASS INCLUDES:

PROFESSIONAL DEVELOPMENT FOR FACULTY & STAFF

Our interactive **professional learning webinars** utilize our 20+ years of research to cover timely topics such as AI, stress, disengagement, pedagogy, assessment, belonging, and student voice.

COMMUNITY EDUCATION FOR PARENTS & CAREGIVERS

Our **interactive parent education webinars** are designed for school communities interested in learning practical, research-based strategies to support healthy child and adolescent development.

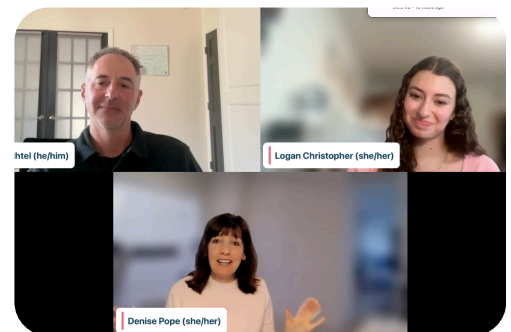

EASILY IMPLEMENTED FOR SCHOOL LEADERS

Our Webinar Season Pass comes with a facilitator kit & guide, making it easy to market to your faculty & staff and larger school community. **Facilitation kits include marketing graphics & copy** for each workshop, as well as **additional resources to continue the conversation** within the community after your webinars.

Each webinar is recorded & distributed to registrants within 2 business days.

*"Parents have given us some individual appreciation to pass on to you – thanks for your **specific, actionable, achievable goals**. Teachers found your information helpful, well-framed, and contextualized. **Your talk is leading to action!**"*
